# Alternative lunch menu

---

Monday	Tuesday	Wednesday	Thursday	Friday
Cheese burger with tater tots and fresh fruit	Chicken tenders with tater tots and fresh fruit	Corn dog with tater tots and fresh fruit	Chicken burger with tater tots and fresh fruit	Pepperoni pizza with tater tots and fresh fruit

Hello Parents,

I'm Jesse Garcia, the kitchen operator for the lunch program. I hope the students have been enjoying the lunch provided in the cafeteria. I would like to thank all the parents that allow my staff and I to provide a lunch meal for OLPH. It's been a great start since the beginning of the school year. Starting in January, we will provide an additional meal. By adding a meal, the students will now have the option to purchase between two meals provided in the cafeteria. By having more students purchasing hot lunches, we will continue to grow. Providing a well balance and nutritional meal for all ages is important to us.

Two menus will now be available every day for all grades (T-K through 8<sup>th</sup>).

Every Monday, cheese burgers will be available.

Every Tuesday, chicken tenders will be available.

Every Wednesday, corn dogs will be available.

Every Thursday, chicken burgers will be available.

Every Friday, pepperoni pizza will be available.

All students will have the option to choose their lunch of choice as they come through the lunch line. No need to preorder for students. If parents have a preference on what they prefer their kid to eat or have any questions, please email, call or text me until you receive a reply. If parents have any recommendations or suggestions for new lunch items, I am open to new ideas. Contact info [Simpleflavors@yahoo.com](mailto:Simpleflavors@yahoo.com). Phone (661) 742-8618.
