

MRS. WIEBE

Hello!

Congratulations, you made it! You are officially a 4th grader and I am so excited to be your teacher next year. 4th grade is going to be a great year full of new adventures and new discoveries. I want you to be prepared for a successful year so I have put together a list of things to help you get ready.

This summer...

- 1 Read 2 grade level books
- 2 Write a short summary for each book. You will also take AR tests on these books when you return.
- 3 Complete the attached math problems and return to school on the first day. This will be your first math grade.
- 4 Practice your multiplication facts
- 5 Spend time with your family
- 6 Go to Mass and pray with your family
- 7 Go outside and have fun

Next year...

I value your ideas, thoughts, and actions. I can't wait for you to share your unique talents and strengths with your classmates and me. You will bring so much to our class and I look forward to a fabulous 4th grade year!

These are a few of my favorite things..
