

IS IT SUMMER YET?

## Summer Success Guide

Junior High 2019/2020

### Language Arts

- 8th graders, please read **two** novels that are in the Accelerated Reader program. Be prepared to take two AR tests during the first week of school, August 9.
- 7th graders, please read at least **one** novel that is in the Accelerated Reader program. Be prepared to take an AR test during the first week of school, August 9.
- 6th graders, please read at least **one** novel that is in the Accelerated Reader program. Be prepared to take an AR test during the first week of school, August 9.
- [Link to Accelerated Reader Bookfinder](#)
- Log into [Mobymax](#) and practice all language arts apps

### Science

- Practice adding, subtracting, multiplying, and dividing decimal numbers.

### Religion

- Pray Daily!!!! Say a rosary, pray for someone having a tough time, teach a younger sibling or friend a new prayer, read scripture, etc!!!!!!
- Go to Mass every Sunday, even when you are out of town!
- Spend time with your family!

### Social Studies

- Read books and watch documentaries about history (8th: US History; 7th: World History; 6th: Ancient Civilizations)

- Keep up with current events and familiarize yourself with reading news articles. <https://newsela.com/articles/#/rule/latest>

## Math

- Practice activities on your [GOMath online accounts](#), [Khan Academy](#), or Mobymax every day!
- Review concepts such as multiplying, dividing, adding, and subtracting decimals, fractions, exponents, and powers of ten.

## STEdM

- Stay sharp on your typing and coding. You can access both sites ([typing.com](#) and [code.org](#)) from home.
- Take note of the “a”: We are going to start incorporating our artistic skills in our builds, so find some artistic inspiration on your summer travels.
